   When I try logging in online it still says "Your account is closed.
   Please contact your Agency Manager". If I try logging in on the app it
   just says "Invalid Username/Password"

I've registered a while back when you first sent out the email
about LPR. When I try to sign in it just says my account has been
closed

  You have signed up to attend the License Plate reader and/or
  facial recognition training on June 18 and June 19, 2019. You
  do not yet have an account in LEARN. This training will be
  interactive and you need to have your account activated prior
  to class starting.

  Please use the Register tab on
  https://learn-nvls.com/learn/gui/index.aspx
  <https://learn-nvls.com/learn/gui/index.aspx> and self-register
  for an account. Be sure to use your city e-mail address using
  the .mail.ci.lubbock.tx.us <http://mail.ci.lubbock.tx.us>
  form. The ORI is TX 1520200.

  You need to bring a tablet or laptop to class. It is a good
  idea to bring a smart phone that you want to download the

mobile app onto. You may bring your personal computer since there will not be anything downloaded on it.

If you have trouble signing into LEARN, please contact me.

I will also be sending text messages to remind you.
